Emergency Rule Change

2015 Colville Ps'quosa Spring Chinook Fishery

Expanded fishing schedule

(Icicle Creek, Leavenworth, WA)

Justification for implementing expanded schedule:

The Leavenworth National Fish Hatchery in Leavenworth, WA, has collected the required number of spring Chinook broodstock required for both the Leavenworth Hatchery and the Chief Joseph Hatchery programs.

Therefore, the CCT Director of Fish & Wildlife has adjusted the *Fishery Period* language as defined in CBC Resolution 2015-263;

The Icicle Creek Fishery is now open 24 hours per day and 7 days per week until July 31, 2015, or closed by the Director.

All other rules and guidelines described in CBC Resolution 2015-263 remain in effect.

Please help take care of this beautiful place by practicing, "Pack it in, Pack it Out".
Dumpsters have been provided on both sides of the river for garbage.
